LARGE PARTS INVENTORY: Large Parts Inventory and Knowledgeable Staff

Gartner's large stock of industrial refrigeration parts and expert staff has earned it recognition as one of the best parts departments in the nation. When you call us, you'll get the right parts the first time and in time.

Gartner's Parts Department offers:

- 24/7 service and next day turnaround
- Computer database of customer equipment for quick and accurate parts selection
- Knowledgeable parts manager: Ron Lovdal has over 25 years experience in the business.
- Climate controlled parts room to insure no-problem parts
- Inventory includes names like Frick, York, Imeco, Frigid coil, RS, Henry (Herl), Buffalo Pump, and Cornell
- Gartner is one of the few companies that still carries parts for those old HDI, MRI, MCI, compressors along with a selection of good used parts.
- All the parts for the newest Quantum(TM) control panels
- Complete overhaul kits for all Frick screw compressors are stocked on the shelf
- Major credit cards accepted
